FAQs & Tips

Who is ShowingTime?

ShowingTime is the leading showing management & feedback service provider in the real estate industry. With 24/7 availability agents and sellers can receive optimal service any time of the year.

As a seller, what do I need to do?

Your agent and our staff will take care of bringing buyers to your home. All you need to do is prepare your home for showings!

Will I be notified when a showing is scheduled?

Yes, you can receive either emails, phone calls, and/or text messages depending on your appointment preferences:

Appointment Required - a confirmation must be obtained before the showing may occur.

Courtesy Call - an appointment is automatically approved, but a call is placed to notify the owner/occupant.

Go & Show - no approval is required and the request can be immediately confirmed.

Check your messages.

Be sure to continually check your phone or email for any notifications and respond as soon as possible. Delayed or missed responses could mean missed showings.

Have your home ready to show at any time. It's tough to keep your home tidy every moment, but the practice of preparing for showings will result in a higher likelihood of an offer.

Provide one or two primary phone numbers where you can be reached.

While you may use your cell phone as your primary means of contact, providing an alternate phone number such as a home or work number as backup to ensure confirmation of showings.

Stay updated on your home.

You will have access to your listing information at anytime from anywhere, letting you know the date & time of future & past appointments as well as valuable feedback from agents who have recently shown your home.
